Joeann is known for her enthusiasm and energetic delivery. As a personal coach and content-rich speaker, she ignites in people *their own* passion so that they can easily produce spectacular results in their businesses and lead lives they love. Since 1983, Joeann has been involved in many facets of real estate, from being an award winning agent, an instructor for GRI & LTG programs to serving as Regional Sales Manager & Asst. Publisher for a top homes magazine. She founded Advantage Solutions Group in 1993 and has provided coaching, training and speaking services to over 4000 people.

In Joeann's coaching, seminars and workshops, she opens the door to working less and making more by showing her audiences how to tap into the brilliance and resources they already possess. Her philosophy, "Life is Too Short To Perfect Your Weaknesses" urges her audiences to take the easy route to leverage their unique strengths into the flow of effortless success.
